Hello,

I just booked two night at your camping on 15 and 16 november (already confirmed).

On the form I asked in the comment to book some of your magnificent tours.  
Just to be sure, I like to send these tour requests also by this mail.

If possible, we also like to book these activities:

- Nightdrive on 15 november.  
We really love night drives.  
If the night drive was great, is it possible to go again on 16 november and book it after the first night drive?

- Morning Bushman walk on 16  
I suppose it is in the morning, so it also be possible on 17 november.  
We have to be at the airport in Windhoek at 15:00
- Sundowner drive + Cheetah feeding on november 16

One question. The chemical toilet is not on the invoice.

Is it included in the price, forgotten or should we arrange it in Cape town at your office?

Hi Clyde,

Thank you for your email.

I don't understand exactly what you mean, sorry.

I think I already signed the booking form (2nd of August), including the authorisation to deduct my credit card for the deposit and the final amount.

This would mean that on arrival everything is already paid.

Please inform me if I am wrong.

I will send you the copies of the driver licenses and passports tomorrow by mail.

Hi Jos,

I have attached your final invoice for your information and our terms and conditions.

If you have already paid the invoice then this is for your records.

If your rental starts in Johannesburg or Windhoek, then the payment can be done on arrival.

If your rental starts outside of our offices in Johannesburg or Windhoek we would prefer to process the payment a few days before you collect your vehicle. This is because it is sometimes difficult to process large amounts on our credit card machine without the card holder present at the machine. This can cause delays at the hand over.

**If possible could you send copies of driver's licenses and passport of the drivers to Phindi copied above**

Hi Clyde,

In Cape Town we stay at **the Radisson Red hotel** in Waterfront.

In Windhoek we will drive to your office. At that time we already have the second car, so no need for transport.  
We expect to be there around 16:00  
On your website I found this address:

**Bushlore Windhoek**

In Cape Town we like to make an easy morning start.

Hi Clyde,

I have attached the booking form.

If you need any additional information, please inform me.

I am still busy to plan the trip.

The plan is to leave South Africa on november 14 or november 15.

I have booked 2 nights in Mata Mata (Kgalagadi), but we might skip the last night.

This means that we stay 8 (or 7) days in South Africa and 3 (or 4) in Namibia.

We cross the borden at Mata Mata and I know we have to do the paperwork at 'Twee Rivieren' (we stay there 2 nights as well).

Kind regards,

We discussed the two options (25d and 11d) and my wife won. ;=), so we like to rent the car for 11 days. Can you inform me how to make the booking final?

A question. Do you know where we get the car in Cape town and where/how late we have to return it in Windhoek? I need this information for booking a hotel in Cape Town and the time I have to switch cars in Windhoek.

Hi Clyde,

Also warm greetings from Holland in both ways (we are suffering a heat wave here !). Thank you for your fast reply.

We go for the Toyota Landcruiser. Including the chemical toilet.

I have two questions:

- Is it possible to rent the Toyota Landcruiser until november 17 only?  
My wife prefers a 'normal' 4x4 from Windhoek. Better view to see the animals and because of the already booked lodges no plans to camp the last 9 days.

FYI: We have plans to go to Botswana from Johannesburg in 2020, using the CruCam (or similar) bashcamper. We have rented 3 times a hilux before with roof tents, but that is for her no longer an option (medical reasons). Renting a bushcamper in relative easy terrain (only 3 or 4 remote days in Kgalagadi) is this year some kind of try-out.

- I suppose there is airco in the 'CruCam'. Can it also be used at night or are there other cooling possibilities when it gets too hot at night?

Kind regards,  
Jos van den Dool
